MAKING THE RIGHT CHOICE

COMPARE RESULTS

Use the car finance calculator to compare the monthly repayments for both Hire Purchase and Personal Contract Purchase options, and help make the right decision for you!

OTHER COSTS

It is also important to take into account additional costs to owning a car, such as insurance, fuel and maintenance.

CONSIDER YOUR NEEDS

Consider your own needs and requirements. If you have a smaller monthly budget and simply want to finance a car, then HP is the right option. If you change your car regularly, and don't mind the mileage restrictions then PCP is the one.
